ENGLISH /

YAMAHACHI offers a wide range of models, giving the opportunity to choose an assortment of colors whichever colors you need. Our artificial teeth comply with the international quality standard ISO 22112. FX ANTERIOR, FX POSTERIOR, EFUCERA FX POSTERIOR are highly performed acrylic teeth, which show doubled wear resistance and 20% upped hardness compared with conventional acrylic teeth. FX fits those who are not quite satisfied with ordinary acrylic teeth.

ESPAÑOL /

YAMAHACHI ofrece una amplia gama de modelos brindándole la oportunidad de poder escoger entre una gran variedad de colores, sea cual fuere el color que Usted necesite.

Nuestros dientes artificiales se ajustan a las Normas Internacionales de Calidad ISO 22112.

Los dientes anteriores FX, posteriores FX, EFUCERA FX y son dientes de acrílico de alto rendimiento, que presentan una doble resistencia al desgaste y un aumento del 20% en su dureza comparados con los dientes convencionales de acrílico. Los dientes FX se ajustan a las necesidades de aquellos que no están satisfechos con los dientes ordinarios de acrílico.
